Native Meeting.

On Tuesday last a meeting of natives was
convened on a vacant lot on Fort street, to
consider the merits and demerits of the new
Constitution. The meeting was not numer-
ously attended—there being present proba-
bly not over 300 persons of all classes,
many of whom were Chinese. The principal
speakers were Mr. Kalsura, a Japanese law-
yer, Mr. J. M. Poepe, a native lawyer, and
Mr. C. Monting, a Chinaman.

Mr. Kalsura confined his remarks prin-
cipally to a definition of the Constitution, and
the omission of Asiatics from the elective
franchise. While Mr. Poepe urged the
native element to lose no time in qualifying
themselves for the coming November gen-
eral election, so as to elect a majority in both
branches, which would insure a native ma-
jority to the native Hawaiians. The last speaker
was Mr. Monting, who dwelt on the mistake
the framers of the new Constitution had
made in omitting the Chinese from that docu-
ment—insisting that this class contributed
largely towards the revenues of the coun-
try, and should, he thought, have a voice
in the framing of the laws.

The meeting throughout was orderly.

Death of Dr. John Borland.

The government physician for this district,
Dr. John Borland, died suddenly this after-
noon about 6 o'clock. The deceased was a
native of Greenock, Scotland, and came out
here on account of his health, and took up
his residence, first at Kilauea, Kona, and
moved over here about two years and a half
ago. His health has for a long time been
very poor, and only by taking the utmost
care of himself, he has been able to attend to
his practice. This afternoon he called with
his family at Mrs. Sinclair's, at her cottage,
Kekupua, and when they left and had come
to the gate by the government road the doctor
got a sudden hemorrhage, which made them
go back to Kekupua, where he soon after
drew his last breath. He leaves a wife and
two children.

Waimea, Kauai, July 21st, 1887.

Cricket Match.

A match between a team from H. B. M. S.
Conquest and Honolulu Cricket Club took
place on Saturday at the recreation grounds,
Waikiki. Honolulu won the toss and went
in put together a score of 28, of which Lis-
man made to and Starkey 9, and Hewitt's
steady play contributed success. The bow-
ling of the ship was remarkably good. The
Conquest then got hold of the willow and
managed to make 38, of these runs 14 were
from the bat of J. D. Simons. In the sec-
ond innings the H. C. C. made 47 and ship
30, thus giving the victory to the city by 19
runs. The fielding was excellent on both
sides, and a most enjoyable afternoon was
spent by the large number of on-lookers.

RULES AND REGULATIONS

FOR ADMINISTERING TO OFFICIALS, SUBJECTS AND RESIDENTS, THE
OATH TO SUPPORT THE CONSTITUTION AND LAWS; PROVIDING
FOR THE REGISTRATION OF VOTERS, AND OF HOLDING ELEC-
TIONS FOR NOBLES AND REPRESENTATIVES.

WHEREAS, By Article 80 of the Constitution of this Kingdom His Ma-
jesty's Cabinet is invested with power to make and publish all neces-
sary rules and regulations for the holding of elections, prior to the
passage by the Legislature of appropriate laws for such purpose, and to
provide for administering to officials, subjects and residents, the
oath to support the Constitution and Laws:
Now, THEREFORE, In pursuance of such power, the said Cabinet do make,
ordain and publish the following Rules and Regulations for said pur-
pose that is to say:

ADMINISTRATION OF OATHS.

1. The Minister of the Interior shall have authority to appoint
and issue commissions to such and so many persons in the different elec-
tion districts of the Kingdom as to such Minister may seem fit and neces-
sary, to administer said oath: Provided, that the number of persons so
commissioned shall not be less than two for each polling precinct or ward
of every such district. The persons thus commissioned shall be known as
the Inspectors of Election of the polling precincts or wards for which they
are respectively commissioned, and shall receive such compensation as
shall be prescribed by said Minister.

In case of the inability, failure or refusal of any person so appointed
to act as such Inspector, the Minister of the Interior shall appoint a person
to fill such vacancy. Provided however, that if it is impossible to com-
municate with the Minister of the Interior in time for him to make such
appointment before the election is held, the remaining member or mem-
bers of such Board shall appoint a person to fill such vacancy.

The Minister of the Interior shall also have the power at any time
to remove any such Inspector, and from time to time to appoint such
other Inspectors as he may consider necessary.

2. Immediately upon receipt of his commission each Inspector of
Election shall hold himself in readiness and accessible during all reason-
able hours, to administer the said oath, without charge, to every male
person of Hawaiian, American or European birth or descent, who has
attained the age of twenty years and who is a resident of the ward or
precinct for which said Inspector is appointed.

3. The form of such oath shall be in substance as follows, to wit:
I,, do solemnly swear, in the presence of Al-
mighty God, that I will support the Constitution of the Hawaiian King-
dom, promulgated and proclaimed on the 7th day of July, 1887, and the
Laws of said Kingdom.

4. Each person taking such oath shall subscribe the same with his
name or mark, which signature shall be witnessed by the Inspector of
Election administering such oath, who shall thereupon fill in and give to
the person taking such oath a certificate that such person has taken said
oath. Such certificate having been detached, the Inspector shall retain
the oath, as a stub, in the book from which the certificate is removed.
All books containing oaths shall be delivered by the Inspectors of Election
to the Chairman of the respective Boards of such Inspectors, by whom
such books shall be preserved, subject to the order of the Minister of the
Interior.

5. For the purpose of more conveniently administering such oath
